What Buyers Will Pay For

Renovated Kitchen and Baths

The single biggest reason your home sells near the top of the neighborhood.

Private Pool

Worth about \$25,000 against similar homes without one.

Four Bedrooms, No HOA or CDD

Flexible space and no monthly association costs.

Flood Zone X

Outside the high-risk flood zone, so lenders don't require flood insurance.

Needs Paperwork to Count

The Roof

Permit and date. Roof age decides whether a buyer can insure the home.

The Permits

Kitchen, bath, electrical, and plumbing work. Undocumented upgrades count for less.
