TERM	~~BUYER OFFERED~~		WE COUNTER	WHY
Seller Concessions	~~$10,000~~	→	**$5,000**	Biggest controllable drain on net
Escrow Deposit	~~$2,500~~	→	**$16,000**	More buyer commitment once contingencies expire
Inspection Period	~~15 days~~	→	**7 days**	Shorter walk-away window
Time for Acceptance	~~Fri Sep 25, 12:00 PM~~	→	**Fri Sep 25, 5:00 PM**	A firm deadline for the buyer to answer the counter

Firm counter: it doesn't meet the buyer partway on price, and it keeps seller concessions at or under the market norm.

4 · Certainty Scorecard 1 = Weak · 5 = Strong · Weighted

Criterion	Weight	Score	Why
Financing Type & Down Payment	20%	3	VA financing: Tidewater notice before a low appraisal is final; stricter appraisal and condition rules
Approval / Funds Verified	10%	3	Pre-approval letter
Appraisal Risk	20%	4	In the upper half of the value range, protected to closing
Contingency Exposure	20%	1	50 days until firm; 15-day inspection
Deposit Strength	10%	1	$2,500 = 0.5% of price
Fit with Seller's Timeline	10%	5	Nov 12 close, 8 days before Nov 20 deadline
Property-Condition / Insurance Risk	10%	3	VA condition standards
Certainty Score	**100%**	**56**	**Weak · 80+ strong · 60–79 workable · under 60 weak**

Every score follows the rubric from the offer, the contract and the property. A criterion without its fact isn't scored, and the total is scaled to 100 over the weight that is.

5 · Risk Flags

Level	Issue	Mitigation
Med	Concessions + warranty ($10,000) cancel out the $4,000 over list.	Compare on the net line, not the headline price.
Med	Deposit is 0.5% of price.	Counter for 3% or a larger additional deposit.
Med	15-day inspection period.	Counter to 7 days.
Med	The seller's flood disclosure (s. 689.302) isn't confirmed as given.	Have the seller complete it (known flood damage during ownership, flood insurance claims (including NFIP), and federal flood assistance (including FEMA)) and give it to the buyer at or before signing.

6 · Verification Checklist

Done	Item	Notes
☐	All parties signed & initialed; dates filled

7 · Questions for the Buyer's Agent

#	Question
1	Has the buyer obtained a homeowners insurance quote for this address, given the 2019 roof?
2	Who is the loan officer, so we can verify the approval directly?

8 · Questions for the Loan Officer

#	Question
1	Has the file been through automated underwriting (DU or LP), and are income assets and credit verified with documents?
2	Is the approval good for $519,000 with 0.0% down on a VA loan, with $10,000 in seller concessions?
3	Are funds verified for the down payment and closing costs?
4	Any concern about the property meeting VA appraisal and condition rules (roof 2019)?
5	Can you close by Thu Nov 12 with your current workload?

What to Confirm

Impact	Where	What to Confirm: Provide the Real Value to Sharpen the Analysis
High	Seller	Listing fee 2.5% and buyer's agent 2.5% read as separate fees (5% total). Confirm whether the 2.5% includes the buyer's agent
Med	$519K VA	Down payment not provided: assumed 0% for VA
Med	$519K VA	Para. 9(c) box not given: the owner's title policy is charged to the seller by local custom. Check which box is marked; the party who designates the Closing Agent pays it
Med	Listing	Closing after this year's tax bills go out (November 1): whether the seller has paid this year's bill wasn't given. Assumed not paid (the seller credits the buyer from Jan 1); if it's paid, the buyer credits the seller instead
Med	$519K VA	Riders not listed: whether the HOA or condo rider (A or B) is attached wasn't checked. Confirm it's in the contract, with the HOA disclosure
Low	Seller	Holding cost estimated from insurance, HOA, utilities and loan interest (tax is in the proration)
Low	$519K VA	Buyer-broker compensation not in the offer: used the 2.5% the seller offered. Say if the buyer's agent asks for a different amount
Low	$519K VA	Loan approval period not provided: assumed 30 days
