2 · Riders to Attach With Suggested Inputs

Rider	Suggested Inputs	Why
FHA/VA Financing Rider (E)	Loan type: FHA · appraised-value threshold: **$363,000** · Para. 2 seller's cap for lender-required appraisal repairs: **[$ amount, no default]**	Required with FHA/VA loans: the amendatory or escape clause; fill the repair cap on purpose: a blank is ambiguous, and the contract owes no other repairs, so it's new exposure for the seller: tell the listing agent
Homeowner's/Flood Insurance Rider (H)	Deadline date: blank = **the earlier of 30 days after the Effective Date or 10 days before Closing** · max acceptable premium: **[$/yr]**	Recommended: 15-year roof, no insurance quote yet. Weakens the offer slightly; skip it only with a bound policy, since a quote can change before it binds
Seller's Agreement with Respect to Buyer's Broker Compensation Rider (GG)	Compensation agreement, $9,075, signed by: **[seller or listing broker]** · within **3 days**, the form default	Paid as a commission, so it doesn't use the loan's concession room; have the agreement ready to sign with the offer
