RECOMMENDED OFFER · OUTLOOK WITH 2–3 COMPETING

COMPETITIVE

The strongest offer inside your limits. A listing agent would score it **67/100**, and it nets the seller \$3,876 less than a clean offer at list. Writing softer saves \$4,500 but drops to **At Risk**. FHA financing caps the score, so certainty and net do the work, not escalation.

TERM	OFFER	WHY	
Price	\$363,000 Value range \$355K–\$372K	Value midpoint: with 3.5% down the appraisal sets the loan, so this offer competes on terms (deposit, inspection, closing date) rather than price	
Seller Concessions	\$2,000	Only what your cash can't cover	
Escrow Deposit	\$11,000 (3.0%)	3% shows commitment; refundable during inspection; counts toward cash to close	
Inspection Period	10 days	Room for a full inspection + 4-point on an older home	
Loan Approval Period	30 days	Lender standard	
Appraisal Gap	None	Not needed: price is inside the value range	
Closing	35 days (Oct 28)	Fastest your lender can reliably close	
Buyer-Broker Comp.	2.5% from seller	What the seller is offering	
Home Warranty	Not requested	Not asked of the seller; keeps the net clean	
Escalation	None	Not used: with low down payment, price above value gets cut by the appraisal

3 · Strength Scorecard The Same Criteria a Listing Agent Uses · 1 = Weak · 5 = Strong

4 · Your Cash & Risk

Down Payment	\$12,705	\$12,705
Closing Costs & Prepays (Est.)	\$12,850	\$12,850
Seller Concessions Credit	(\$2,000)	(\$6,500)

Deposit at Risk After	Oct 28 · \$11,000	Oct 28 · \$7,500

Worst case: the appraisal comes in low and you cover the gap. Payment uses 6.5% and post-purchase taxes; your lender's Loan Estimate governs.

Value Range	\$355,000–\$372,000 buyer CMA
Sale-to-List	98.1%
Months of Supply	3.8
Median Days on Market	34

6 · Likely Pushback On the Recommended Offer

Term	Yours	They May Ask	Response
Price	\$363,000	\$364,000	Inside the value range; the appraisal won't support much more
Inspection Period	10 days	7 days	Needed for a full inspection; offer to share reports quickly

7 · Assumptions & Data to Confirm

Impact	Where	What Was Assumed
Med	Buyer	Contract form not chosen: planned on the FR/BAR AS IS, the usual form for a competitive offer. If the buyer uses the Standard form, set worksheet.contract_form to standard and re-run: its repair limits and inspection rules change the numbers
Med	Buyer	Buyer-broker agreement not given: cash to close leaves out any fee the seller doesn't pay. Enter the agreement's rate so the shortfall is counted
Low	Buyer	Closing costs estimated at 3.0% of price (Florida default plus prepaids, plus documentary stamp tax on the note (0.35% of the loan) and intangible tax on the mortgage (0.2% of the loan); the lender's Loan Estimate governs)
Low	Costs	No flood insurance quote: the payment leaves it out. Flood zone X: a lender may not require flood insurance, but a Citizens policy on a home with a dwelling replacement cost of \$400,000 or more must carry flood insurance, and every Citizens policy from January 1, 2027 (s. 627.351(6)(aa)).

Strength scores use the same rubric as the listing-side offer review. Outlook bands are estimates: the number and terms of other offers and the seller's priorities are unknown, and a seller may choose any offer. Closing costs are estimated at 3.0% of price; loan program limits change, so confirm with the lender.
